

From Representative Mike Nofs

"As a new representative appointed to the library board Christie made me feel comfortable and her smile always made me feel welcome. I can't tell you how much I appreciated that. In the short time that I have worked with her, she has been very professional and dedicated. She is someone with a lot of energy and follow through that is able to make things happen.

So I am here today representing the 4 legislators that currently serve on the board, Sen. George, Sen. Clarke, Rep. Law and myself, who wanted to give you a special tribute recognizing your unselfish dedication and service to all who use library services in the state of Michigan. (Read 2 paragraphs from the tribute) On behalf of the people of the state of Michigan I present you with this tribute. Thank you for your service and good luck on your new endeavor in Kansas."
